THIN, FLAT HAIR

GROWS LONG, THICK
AND ABUNDANT

"Dandeline" costs only 35 cents a bottle. One application ends all dandruff, stops itching and falling hair, and, in a few moments you have doubled the beauty of your hair. It will appear a mass, so soft, lustrous, and easy to do up. But what will please you most will be after a few weeks use when you see new hair—fine and growing at first—yes—but new hair growing all over the scalp. "Dandeline" is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. This delightful, stimulating tonic helps thin, lifeless, faded hair to grow long, thick, heavy and luxuriant.

GROVE STUDENTS
CHEER HOLIDAYS

Thoughts Of Past Week Centered On
Christmas Holiday; Other
News Of School.

(By Pattye Sensing.)

The thoughts of a whole week of unlimited pleasure has made Grove School almost a different place this week. Everybody is busy and many varied are the plans for the holidays. Prof. Weston will spend the holidays in Arkansas, most of the other teachers will go home. Of course the boardings, students will spend the holidays in their respective homes.

The honor roll was read Monday morning and it was a source of delight for the seniors to have eleven of their members on the high honor list, a bigger per cent than any other class.

Mrs. Bayer's music class and four of Miss Burch's expression pupils gave a delightful recital last Wednesday. The following appeared on program: Sadie Carter, Ruby Cloy, Jack Lockhart, and Mildred Crawford. In the expression department and the musical, Virginia Jones, Mildred Lovins, Martha Glendinning, Jack Holman, Pattye Sensing, Elise Bayer, Mary Summers, Mary Cannon, and Mrs. Buckley.

Last week a prize of four dollars was offered for the class selling the most tickets to the Edward Brigham recital and one dollar for the individual selling the most. The second prizes were two dollars and fifty cents for the individual prize. The seniors succeeded in making of the prize a boomerang and Mary West Poyner received the one dollar. The Sophomores came second, William B. Clark receiving the individual prize.

Hamilton-Browning gave the program in chapel last Friday as was announced. The stage was beautifully decorated with cedar, holly and lighted tapers. Atkins-Polymnia will entertain this week.

Contrary to the usual order the program will come immediately after noon instead of at eleven o'clock, thus giving us a half holiday Friday.

Miss Jones has been taking Miss Robbie's place this week due to the fact that Miss Bayer has gone to Conroe, Texas, to be present at the wedding of a friend. She will spend the holidays in Houston, Texas.

HONOR ROLL ANNOUNCED
FOR GROVE THIRD MONTH

At the end of each month, the grades of all students are averaged and monthly reports sent out to the parents. The reports for the third month have just been completed and handed to the students to take home and have signed. Should any parents not receive the reports of their children, they should call the school and ascertain the reason as it is important that they keep up with the work of their children.

RED CROSS NOTES.

(Dr. I. A. McSwain, County Chairman.)

The campaign for re-enrollment of members in November was far short in results from the needs. Indeed it was disappointing. Only a small sum, after deducting expenses, was realized.

The organization in this county is handicapped now for want of means and we are being almost daily urged for help to the unfortunate.

We are not in a complaining mood this morning and not pessimistic, but must say that our condition in Henry County, (we mean those who own places to live and have plenty to eat and some clothes) is such that we should support the Red Cross and see to it that the managers do have funds to meet in some degree the emergencies that so often come to the office seeking aid.

We are however going to continue our efforts and solicit funds and most respectfully insist that our people respond to this call, and let not Henry County be so far in the rear of other counties in the support of this institution.

We should be encouraged by the fine example of the railroad shop men who on all occasions where help is needed among their fellows, at once take up collections and are anxious to contribute notwithstanding the very frequent calls that come before them.

The spirit of unselfishness manifested by those men was abundantly proven last week when it was learned that in place of 200 men being laid off (the wage of those remaining not being disturbed) that all should work five days in the week and thus all should make enough to keep from suffering; and when this last order was posted, a shout went up from every throat that made was echoed by the families of all concerned, all consenting freely to share the reduction in weekly earnings, rather than the 200 should have no job.

My friends, if you were in this office for one day and hear the complaints and see the needs of poor people for food and clothing and hear them describe home conditions, surely, out of your abundance, you would at once send in a membership fee at the least, and many of our people should make special contributions of sums equal to their ability.

TENNESSEE IN HOME
PORT FOR CHRISTMAS

The Henry County boys aboard the supercabinet, Tennessee, will spend Christmas in a home port, the ship being anchored in Puget Sound at the navy yard at Bremerton, Wash. While they are a long way from their own Tennessee homes, the boys have planned to celebrate Christmas in a splendid manner. According to information contained in a letter from Commander R. H. Leigh, a Christmas dinner, with turkey and side dishes, including ice cream and cake, will be given the boys with one hundred of Seattle's poor children as guests. The children will also receive gifts of clothing in addition to the toys and candies which go with the Christmas season. The ship will be decorated for the holidays and the crew of native sons is looking forward to a joyous Christmas. The Tennessee draws anchor and sails for San Pedro, Cal., the day after Christmas.

Henry County boys on the Tennessee are: J. T. Dumas, Maurice Alexander, Chesley Dinwiddie, James Douglass, Everett McDaniel, Manley Core, Millard Westerson, Leo McHugh, Carl Blackwell.

A number of these expect to visit home at the end of the first year of their service, which is the last of January, though it is possible that several will arrange to come home for Christmas, yet it is a long way to Paris, Tennessee, from Puget Sound.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S FASTIDIOUS TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

DRINK HOT TEA
FOR A BAD COLD

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND
LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with
a small bottle of old honest
St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 35 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little on your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

PAYS TO FATTEN POULTRY
SAYS DIVISION EXTENSION

Many Tennessee farmers are learning that it pays to fatten poultry for the market, just as it pays to finish hogs and cattle. Heavy feeding and close confinement for two or three weeks adds finish and weight, thereby increasing the price per pound and the number of pounds. The poultry specialist, Division of Extension, has found an excellent fattening ration to consist of two parts finely ground cornmeal and two parts wheat shorts, moistened with buttermilk or sour milk to a mortar-like consistency. All the birds will eat it fed three times daily. It is not uncommon for a good, husky bird weighing 1 1/2 to 2 pounds to add three-quarters of a pound, or 25 per cent of its original weight, in two to three weeks. If the birds are thrifty, 3 1/2 pounds of this feed will add a pound of weight. The maximum gain can usually be obtained in 15 to 20 days. The birds should be marketed as soon as their appetite begins to wane. If the mixture is properly saturated with buttermilk or sour milk, no water need be given. With present feed prices, fattening young birds by intensive feeding should be profitable. Heretofore, the produce men have been finishing them after obtaining them from farmers. There is no reason why this cannot be done by the producer instead of the middleman.

they are two and a half years old. This may not be true of all Leghorns, but it is generally the case in most of the other breeds, according to Mrs. Kate M. Wells, poultry specialist, Division of Extension. Hens older than this may return some profit but younger hens will return greater profit. County agents of the Division of Extension will supply free information on culling out non-layers.

A Christmas Greeting
to our
Friends and
Customers

"My thoughts go out to you, my friend,
This Happy Christmas Time,
Wishing you joy in all your deeds and days,
Wishing you time for the task,
Wisdom for the work,
Peace for the pathway,
Friends for the fireside,
And love to the last."

These words of Edwin Markham, express very appropriately the sentiment which we wish to convey in our Christmas Greeting to friends.
